ABOUT COLLEGE

Since 1983, Dr. D. Y. Patil Group of Institutions is one of the leading groups known amongst the top education institutions in India. The 'D. Y. Patil University, Pune was established by and under the Government of Maharashtra Act No. VI of 2019 and recognized by UGC, New Delhi, India. D. Y. Patil Group of Institutions was founded to provide the quality education and contribute towards the social responsibility. The foundation was laid by Dr D. Y. Patil in the year 1983 by starting its first engineering college in Navi Mumbai. The group began to grow exponentially in all the fields of education namely, Agriculture, Medical, Science, Engineering, Management, Design and many more. Under the leadership of father founder, Padmashri Dr. D. Y. Patil group has more than 12 campuses across India those including the 5 Universities and more than 150 Institutes which are engaged in delivering education from KG to PG.

Quality education to common is the key for rural prosperity in particular and nation in general. With this great vision Padmashree Hon. Dr. D. Y. Patil (Dada), Founder President has established P.V.D.P. College of Agriculture in the year 2006 at Ambi, Pune. This college is committed to lead Agriculture and allied sectors with modern techniques. The college has marked the remarkable progress under the valuable guidance of Hon. Dr. Vijay D. Patil, President, Dr. D. Y. Patil Educational Academy, Mumbai since last 14 Years.

P.V.D.P. College of Agriculture is approved by Govt. of Maharashtra and Affiliated to Mahatma Phule Krishi Vidyapeeth, Rahuri. It offers Four-Years / Eight-Semesters (12+Level) Degree Programme in Agriculture. The students of this college have shown consistent performance in the academics, sports and co-curricular activities at the University, State and National level with high standards and some of the students achieved the prominent posts through various competitive examinations

OUR JOURNEY

From 2006, at D Y Patil Technical Campus colleges namely D Y Patil College of Engineering, D Y Patil School of Engineering Academy, D Y Patil Institute of Engineering and Technology, School of Pharmacy, Padmabhushan Vasantdada Patil College of Agriculture, D. Y. Patil Polytechnic, D. Y. Patil Institute of Management and D Y Patil School of Architecture are successfully running. UG and PGz programmes are approved by AICTE, MSBTE, PCI and COA wherein more than 7000 students are studying in the various programmes at the campus. Rich legacy and history of excellence spanning more than 13 years resulted to transform into D. Y. Patil University, Pune and continued to provide cutting-edge programs.

VISION

To be the premier school of agriculture by providing education with scientific approach and research, with practical application for the development of agriculture and agro-industry

MISSION

- To ensure and impart Agricultural Information and Communication Technology as a part of programme delivery.
- To train the students for increased participation in the areas of production and rural development.
- The fundamental mission of the PVDP College of Agriculture is to meet the needs of its students by providing experiential based learning in the field of agriculture.
- To take the effort in developing the students in the areas of leadership and personality development to become a successful agricultural professional.
- To offer high quality educational programs that prepare qualified graduates capable of working in different fields of agriculture, conducting applied scientific research that can solve the society's problems, and developing natural and human resources within the local environment throughout the adoption of continuous improvement, and developing positive attitudes.

Proximity to Indian Corporates in Mumbai and Pune

University campus has become the “Seat of Education and Knowledge”. It is preferential education destination for the students. Campus is equally distanced from Pune and Mumbai, due to which academicians, industry practitioners and industry from India’s Financial Capital Mumbai are partnered and providing training, internship and placement.
